Mangalore, India

OBJECTIVE

Passionate about Software Development with an experience in designing, developing, and deploying robust applications and systems. Proficient in a wide range of programming languages including Python, Java, and JavaScript, with a strong focus on full-stack development and Data science with machine learning. Known for strong problem-solving skills, attention to detail, and a commitment to writing clean, efficient code.

EXPERIENCE

- **Inventeron Technologies** Oct 2023 - Nov 2023
Full-stack development intern Bangalore , India
 - Managed and implemented the technical areas of front-end, back-end and database configuration.
 - Made use of modern implementation to make more responsive and interactive one.
 - Learnt soft skill practices like teamwork, leadership and project management.
- **24-Hour National Hackathon** Jan 2024
2nd-Runner up Mangalore,India
 - Developed and implemented a responsive anti-phishing website, effectively identifying and mitigating phishing attacks through real-time detection techniques.
 - Collaborated with a diverse team, leveraging strong problem-solving skills to deliver a functional solution within tight time constraints, resulting in a successful project submission.
- **Embedded Systems and IoT** Aug 2023
Participant NITK Surathkal
 - Participated in an intensive workshop focused on Embedded Systems and Internet of Things (IoT).
 - Gained hands-on experience with microcontrollers, sensors, and IoT platforms, learning to design and implement smart, connected devices.

EDUCATION

- **Yenepoya Institute of technology, Visvesvaraya Technological University** 2021-Present
BE Computer science Karnataka, India
 - CGPA: 8.9
- **Morning Star HSE** 2021
Maths-Computer science Tamil Nadu, India
 - Percentage: 92
- **Morning star school** 2019
CBSE Tamil Nadu, India
 - Percentage: 94

PROJECTS

- **IELTS writing evaluator** July 2024
Tools: Python, Flask, Tensorflow and BERT
 - Developed an IELTS writing evaluator which returns a band score using BERT algorithm.
- **2D- Train CG Animation** May 2024
Tools: C++,OpenGL and GLUT functions
 - Developed a 2D train computer graphics animation implementing basic train movements.
- **Hostel Management System** April 2024
Tools: MySQL,PHP,XAMPP,HTML,CSS and JS
 - Developed a DBMS project for hostel management functionalities.
 - Separate admin and user interface were made.
 - Query operations on SQL

- **Food delivery Website**

Tools: HTML,CSS and JS

January 2024

- Developed an interactive and responsive front-end for a food delivery website.
- Bootstrap functions were mainly used.

- **Smart waste bin**

Tools: Arduino, Node MCU and sensors

June 2023

- Developed a real world smart waste bin to segregate dry and wet waste using appropriate sensors like moisture and echo.

- **Android app development**

Tools: Android studio,XML and java

December 2022

- Made an appliaction using android studio,allowed simulation on different android devices

SKILLS

- **Programming Languages:** Python,C++,HTML,CSS and JS
- **Soft skills:** Communication, problem solving, Leadership and project management
- **Database Systems:** SQL and mongoDB
- **Data Science & Machine Learning:** Google Colab and Kaggle
- **Cloud Technologies:** AWS
- **Specialized Area:** Full-stack development using python Django framework
- **Mathematical & Statistical Tools:** Integration ad differentiation

VOLUNTEER EXPERIENCE

- **IEEE job fair**

Student organization Mangalore subsection

2024

- Facilitated smooth operations by providing guidance and support to attendees, ensuring they were directed to the correct booths and sessions.

- **Ohaana thrift sale**

Young Indians

2024

- Volunteered at a community thrift sale, assisting with the organization, setup, and management of sales activities.

CERTIFICATIONS

- **Full-stack development intern**

Inventeron Technologies

- **24-hour national hackathon**

YenTech Mania

- **Python Learning**

Microsoft Learn

- **IITB-Spoken tutorial**

Python and HTML

ADDITIONAL INFORMATION

Languages: Malayalam (R/W/T), English (R/W/T), Hindi (R/W/T) Arabic(r/w),Tamil(T)

Interests: Editing, Drawing, Travelling, Sports and Arts
